Drug and Alcohol Residential Rehabilitation Service

Experience Strength Hope (ESH) provides a peer-led residential rehabilitation facility supporting adults who are recovering from drugs and alcohol addiction. The 11 bed facility is operated and managed by professional staff who all have their own personal experience of addiction and recovery.

ESH Community takes referrals from service provider organisations nationwide, local authorities or direct from clients. Prospective residents can make a self referral to ESH Community or work with the staff from the local drug and alcohol support organisation who will have access to funding for the placement.
