

NEW!! ADULT NEURODEVELOPMENTAL SERVICE

Do you think that you may have a history of **AUTISM** or **ADHD** (Attention Deficit Hyperactivity Disorder) but it has not been diagnosed?

- ◆ Do you live in Coventry or Warwickshire?
- ◆ Are you aged 16 and a half and over?
- ◆ Would a diagnosis be helpful?
- ◆ Is it affecting your everyday life?

If you have answered **'YES'** to the above questions you may be eligible for our new **diagnosis service**.

Speak to your GP about a referral.

Do you find it difficult to communicate and interact with other people?

Do you find it hard to recognise or understand others' feelings?
